

Biography

Marcia L. Braden, Ph.D.

Marcia L. Braden, Ph.D. is a licensed psychologist with a specialty in children and adolescents. She is a former teacher and has taught general and special education. Dr. Braden has written and published numerous articles related to education and behavior management strategies, techniques, and interventions. She is a contributing author to the book, *Fragile X Syndrome; Diagnosis, Treatment, and Research*, compiled and edited by Randi and Paul Hagerman and *Children with Fragile X Syndrome: A Parent's Guide*, edited by Jayne Dixon Weber. She authored the book, *Fragile: Handle With Care More about Fragile X Syndrome: Adolescents and Adults* in 2000. Dr. Braden is an adjunct professor at The Colorado School for Professional Psychology. She is a member of the advisory board for The HillSprings Center and The Alpine Center for Children with Autism. She is a member of the scientific and clinical advisory board to The National Fragile X Foundation. Dr. Braden frequently consults with parents, therapists, educators, and medical staff about effective treatments. Respected for her work internationally, Dr. Braden has presented at numerous conferences and workshops about fragile X syndrome, autism, and other related disorders throughout the United States and around the world.
